

West Bay ACC Prayer List

Created 07-23-2008

Prayer works!

We are a church family who believes in the power of prayer to heal, strengthen, encourage, change hearts, change habits, cure addictions, and restore relationships. Please let us know how we can be praying for you. No issue is too small or too big for our God, the Creator of the Universe! Please contact Brother Tim Buchanan at (850) 814-5705 with any prayer requests or praises. Brother Tim is a prayer warrior who loves to talk with God about your needs, requests, and praises!

Join us in prayer for the following people and issues:
